Dear City of Peoria Licensee:

Congratulations on beginning or continuing business within the City of Peoria. The attached annual Privilege Tax (Sales & Use) License or other City issued license must be on display where it is in view by all employees and customers of the Peoria business. The license expires on December 31st of this year.

The license is not transferable between owners or locations. Please contact the City if you need to cancel this license or if there is a change of ownership, change of location or change of business name. This certificate has been issued pending full compliance to all necessary City of Peoria codes and regulations. The issuance of this license shall not be construed as permission to operate in violation of any other law or regulation.

For licenses requiring tax return filings, all sales and/or use tax returns must be signed and returned to the City timely. The City may estimate tax liabilities for any tax period for which the tax return was not filed with the City. Tax returns must arrive at the City by the last business day of the month to be considered timely and avoid penalties; postmarks are not proof of timely filing.

You also may file your returns and make payments of tax or license fees securely on-line at our eTax solution. Register your Privilege and Use Tax License with eTax at www.peoriaaz.gov/registeretax.
